

PORTLAND OREGON PAPER-SHAPERS

LEARN ORIGAMI!!

The Ancient Art of Japanese paper-folding!

We are POPS, a group of paperfolding enthusiasts who share and learn and teach each other in this wondrous art.

For the last 10+ years, we've met at the Belmont Library in SE Portland on the second Sunday of every month. We are now adding an additional date to meet in a NEW location. Beginning January 28th, and every 4th Sunday of the month afterwards, POPS will be meeting on the WEST side of the city in the lovely suburb of Tualatin. The new meeting space is at Legends of Gamers at the address below. (Please note: The Belmont Library meeting time and location has not changed.)

Feel free to come join us - whether you're an advanced folder or have never folded in your life, we'd love to meet you!

All ages are welcome, but we request that *children under 12 be accompanied by an adult or legal guardian*. There is, however, lots of space for you to read or surf the net or whatever takes your fancy.

SOME paper will be provided and there will be a few books on hand, but all are welcome and encouraged to bring and share books and paper. Also, if you're "stuck" on a model, some of the more advanced folks will be happy to try to help you through the challenge.

Please don't call the store for details about the meeting - instead: e-mail POPS_Portland@yahoo.com or call (971)506-5491
