For Parent and Applicant Review and Signature

One of the aspects of having your child participate in the Maid Marian Court and the Robin Hood Festival is the occasional presence of the media. With this occurrence, it is commonplace that reporters and others from the media will occasionally request an interview or will want to photograph your child for an article for hard copy and/or online newspapers and magazines in the metro area. By signing below you are indicating your consent to having your child photographed and/or interviewed by reporters and others for the purpose of promoting the Robin Hood Festival and for her photos to be used in newspapers and on the internet on secured sites.
