

Summer Institute 2018

## Girl Power

Join other girls in a supportive environment to discover your inner strength. Girl Power offers the opportunity to engage in a variety of fun activities and discussions that will help you navigate today's media-driven society and celebrate your unique self.

In this **two-week class**, **girls will** learn how to deal with the ever increasing hostility and negativity which can occur in middle school. This can look like...

- Shunning
- Name-calling
- Rumor spreading
- Intimidating glares
- Bullying
- Drama
