### **Registration**

Families are encouraged to view an electronic copy of our catalog on the Sherwood School District website. All registrations need to be completed on-line through PayForIt.net. Click [here](#) for a link to both or visit the site at <http://www.sherwood.k12.or.us/resources/enrichment-programs/summer-institute-2019>. You can also find a link to the web store (PayForIt.net) from any school website. We encourage all families to register early to ensure availability. Early registration will also keep classes from being cancelled due to low enrollment.

### **Cancellations**

We are happy to work with families who need to cancel registration. We will refund 100% of the course cost up to the start of a class. Please contact us as soon as possible if you need to cancel registration.

### **Scholarships**

Our program does offer a limited number of scholarships for families with a financial need. If you find yourself in this situation, please complete the scholarship form included in this catalog and return it to Nanci Stauffer, Summer Institute Coordinator, at the Sherwood School District Office. Scholarship reviews take time, but we try to notify applicants within 7 business days of date received.
